

## Teacher on Special Assignment / District Teacher-Librarian (12 Months) - Academics and Instructional Innovation (2022-23)

---

**BASIC FUNCTION:** The District Teacher-Librarian on Special Assignment will support district and school library staff and develop OUSD library programs. In collaboration with the District Library Liaison and OUSD library staff, they will support library staff across the district with library programming and collection development, facilitate onboarding and ongoing professional learning, and collaborate around procedures for and management of school and district library programs.

**Note: This position is funded through grants and is a non-permanent position. Candidates selected for the position will not be guaranteed the role beyond the funding of the grant.**

*If you are a motivated, certified teacher, we invite you to join a team of professional educators that have a daily impact on the lives of their students and the Oakland community.*

### **Who we are:**

OUSD is a diverse urban school district that is intensely focused on student achievement. A national model of urban reform and a living example of multiculturalism in action, OUSD has strong community relationships and a variety of schools to meet our students' needs.

### **Where we are located:**

OUSD is located within the vibrant and ever growing city of Oakland. Oakland is a rising economic center, chosen by Forbes magazine as one of the "ten best places in the United States for businesses and careers." The city of Oakland is a great place to live, work, play, and explore!

### **What we offer teachers:**

We provide extensive professional development and training for teachers, innovative curricula, ongoing mentoring and advancement opportunities. Our teachers are also given abundant opportunities to work together in Professional Learning Communities within and across schools in the District.

In addition to professional development and training, we offer a comprehensive compensation package that includes:

- Competitive salaries determined by experience, education level, and credentials
- Full medical, dental, and vision benefits that can be extended to an unlimited number of dependants
- Retirement benefits through the **CALSTRS** Retirement System

### **Who we're looking for:**

Candidates must have a Bachelor's degree, must be eligible for employment in the US and pass a criminal background check. Candidates must possess, or be eligible to receive, a California teaching credential authorizing instruction in core curriculum.

*Additional requirements:*

- Teacher Librarian Services Credential
- CLAD/BCLAD
- Completed online application
- Resume Cover
- Letter Proof of passing CBEST and CSET
- Two professional references
